ACTION ITEMS

PRESENTATIONS

- 2.1 Mike Hubick provided a description of the CLICK program focusing upon the structures and partnerships which exist to support early education learners in their home schools and communities. Kristeen Gordon, a parent of a child in the CLICK program, shared information about how the program was supporting the needs of her child.
- 2.2 George Couros described the EYALT program at Forest Green School and the SNAP program which supports all learners and includes a parent workshop component to support consistency in student learning and behavior. George shared the ways in which EYALT students are included in the broader culture and activities in the school.
- 2.3 Ashley Lyster and Kevin Thibault shared a PowerPoint presentation describing the Parkland Hockey Academy, its growth over time to include multiple sites, relationship with schools and benefits for participating students.

2.4 Russ Foster and Donna Nicholls shared information on the MYALT program's three sites and the processes and structures in place to support the needs of students with severe emotional/behavioral challenges. Storm Formoe, a student in the program, shared how the program has helped him grow as a student and young person.

2.5 Carolyn Jensen provided an overview of the alternate programs offered at Connections for Learning focusing upon the inherent flexibility in each of the programs to meet the needs of students.

All presentations included a question and answer section.

Panel participants were thanked for their input and information.

Trustees and Senior Executive engaged in a conversation regarding "Meeting Diverse Learning Needs through Alternate Programming".
