## Scholarship: 1995 Alberta Summer Games Program Information/Application Form

---

### Information

In 1995, the citizens of the tri-communities of Parkland County, Town of Stony Plain and City of Spruce Grove successfully staged the Alberta Summer Games. Over 4,000 volunteers, hundreds of sponsors and 2,500 athletes, coaches and officials jointly celebrated a festival of athletic competition and cultural activity.

The significance of the success of the 1995 summer games is illustrated by the surplus the games generated. This becomes the legacy for the student awards and a fund of \$100,000 has been established to support this program. It is the desire of the 1995 Alberta Summer Games Society to recognize and celebrate the value of education achievement, leadership and involvement in school and community life. Students who face significant financial hurdles will be supported through this program and will be given preference.

### Selection Criteria

1. For Grade 12, students who have successfully completed all requirements for an Alberta High School Diploma
